Rooms

(e) In Bangalore Cantonment there are so many as 14 Refreshment Rooms while the non-existence of a single Refreshment Room for the entire City of Bangalore inf a great Lord ship on boards at times

It may be that the Excise Officer are of opinion that opening of Refreshment Room amidst so many country arrack sh may prove detriment to the interests of arrack shopkeepers is a fact that the consumers of country arrack are the labour classes that can ill-afford to buy more costly foreign liquor Your Excellency and the Excise authorities may be graciously pleased to note that the sales of arrack will not in any way effected by granting our prayer the opening of a Refreshment Room

Formerly there was one Refreshment Room in Chamarajapet under a Marwardy Gentleman but owing to some mis-management was ordered to be closed Since the first visitation of Pla in Bangalore, people of all conditions have been on their alt to find remedies The use of foreign liquors among other tr -ment has come in practice and hence we respectfully pray fo least one Refreshment Room which is great necessity for the respectable middle classes

In conclusion we trust in your Excellency's solitude for the welfare of the people and hope that our prayer will be consi dered with success

For which act of kindness we shall ever pray

We beg to remain
